N. A. Puffer

I am offering the remainder of my surplus glads at bargain prices. You will find them priced at wholesale or lower. Large bulbs are 1 ½ inch or over, medium 1 inch up and small under ½ inch. All are guaranteed true to name and I will adjust any errors that may arise. All are healthy stock and most of them have been treated with Semesan. All orders of $1.00 or more sent prepaid and lots of more than $1.00 may be divided if desired. Spring is here and I expect to plant my list but may have to dig away the snowdrifts.
